Comprehensive package of training and assessment

The 1st4sport Level 2 Award in Understanding Stewarding at Spectator Events offers learners a qualification that provides the knowledge and skills required to steward legally and effectively. This makes it a perfect introduction for those with no experience of stewarding. The NVQs take candidates to the next stage by providing confirmation of their competence in the workplace.

Choose to offer this Suite of qualifications to provide your learners with a totally flexible, streamlined and progressive approach, and make running your courses more straightforward.

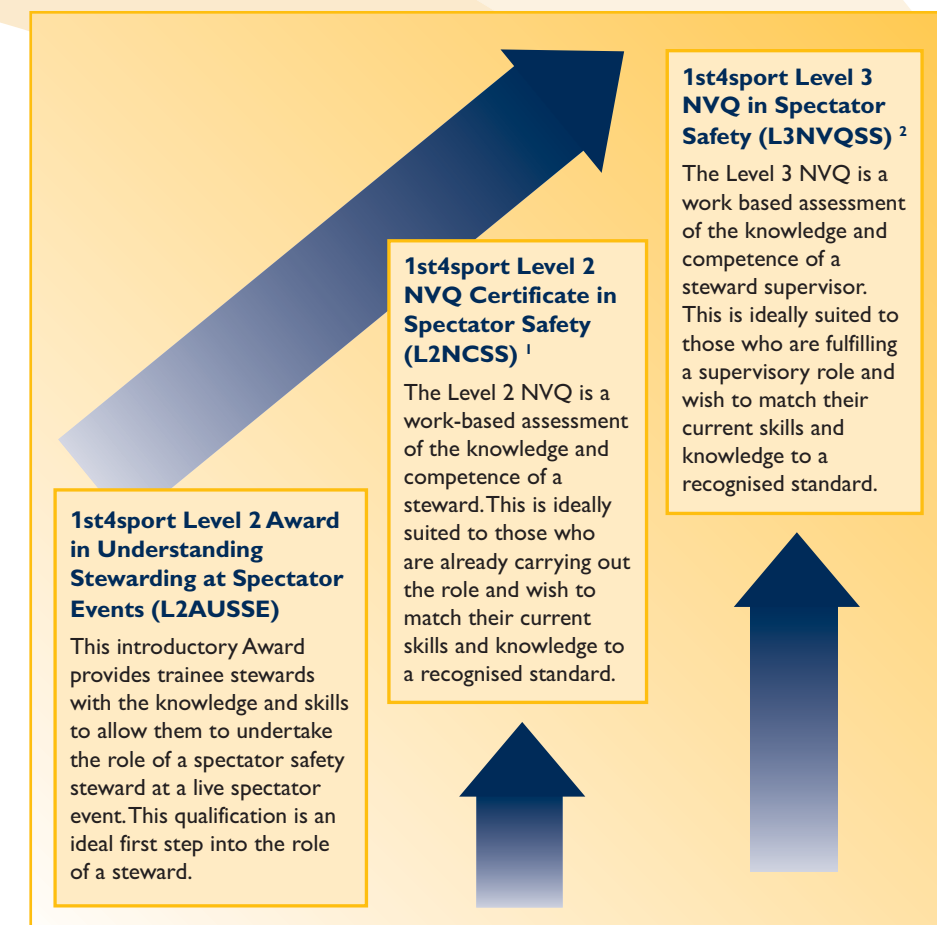

- **Flexible:** A choice of qualifications to suit each learner's individual circumstances.
- **Streamlined:** The recognition of prior learning (RPL) option of integrating the underpinning knowledge and components of assessment from the 1st4sport Level 2 Award in Understanding Stewarding at Spectator Events to the 1st4sport Level 2 NVQ Certificate in Spectator Safety means that much of the evidence required to achieve the NVQ has already been generated (through RPL) – reducing the duplication of work and saving you time and money.
- **Progressive:** Whether learners are new to the industry or experienced and looking to advance to a more senior role, the qualifications within the Suite provide a progressive pathway for them to follow.

By offering the Spectator Safety Qualifications: 1st4sport L2AUSSE, 1st4sport L2NCSS and 1st4sport L3NVQSS, 1st4sport has provided us with an excellent training and assessment package that has made delivering the courses straightforward and enabled us to access more funding
