

New CEMS Qualification

1st4sport Qualifications leads the way for match stewards

We are pleased to announce that the Certificate in Event and Match Day Stewarding (CEMS) was accredited with QCA on 25 April 2005.

It was developed in partnership with The Football Association, The Football League, The FA Premier League and The Football Safety Officers' Association, and in consultation with The Football Licensing Authority.

The qualifications team is now developing the management processes in order to successfully launch the qualification over the next three months.
