

A winning partnership

Form a successful double act by sharing experience, maximising funding and supporting sport at all levels

With 1st4sport Qualifications as your partner, you can choose from a variety of options designed to meet your needs. Several packages are available to choose from, including a fully bespoke package, tailored to meet all qualifications needs (Package D). All the packages we offer are detailed below.

Package	Service	Offer
A	Use us as your awarding body for existing qualifications/programmes you offer	Stand alone service or with any other package
B	Place your qualifications on the appropriate qualifications framework	In addition to package A
C	Take advantage of our consultancy to develop best-practice qualifications, learning programmes and added-value resources	Stand-alone service or with menu A and/or B
D	Pick 'n'mix from: awarding body services; qualification development; resource development; internal accreditation; course authorisation; resource despatch; learner registration; financial processing; delivery centre approval; quality assurance; data collection; course evaluation; warehousing; and distribution.	Choose "a-la-carte" services from any of the packages on offer

What makes us different?

Working in true partnership, we're much more than an awarding body. By building an alliance to suit you, we could provide the perfect-match solution you're looking for.

As well as potentially earning income on every registration, the financial benefits for you really add up:

- save on administration and production costs by outsourcing your awarding body function
- benefit from our economies of scale – eliminate expensive overheads
- receive industry best-practice as standard
- capitalise on our relationships with SkillsActive and Ofqual
- take advantage of our quality assurance expertise
- reap the rewards of our marketing and delivery infrastructure.

So what are you waiting for?

"1st4sport qualifications offered us a workable solution. Working in partnership, we were able to get our courses accredited and on the national framework" Paul Moss, Coach Education Manager, British Triathlon Federation.

Let's get it right – our consultancy will help you develop winning qualifications.
