Developed in partnership with the UK Angling Source Group<sup>1</sup>, the 1st4sport Level 2 Certificate in Coaching Angling (QCF) is designed to provide learners aged 17 and over with knowledge and understanding of the practical and theoretical aspects of coaching angling. The level of knowledge recognised in this qualification will enable them to develop an understanding of the safe, ethical and effective coaching of angling. Those who complete this Certificate will be able to deliver angling coaching sessions to adults and children in an appropriate environment.

<sup>1</sup>The UK Angling Source Group is composed of the constituent governing bodies for angling in the UK (Angling Development Board, Angling Development Board of Scotland, and Federation of Welsh Anglers).

### Prerequisites

Learners are required to:

- be a minimum of 17 years of age at registration
- have proven experience of angling in at least one context (coarse, sea or game angling); this evidence will be assessed by a course administrator
- hold another recognised coaching qualification at Level 1 or a teaching award (C25 or similar accredited qualification). 'Recognition of prior learning (RPL) may be applied for in accordance with the CCA APL Policy (currently in development).

Prior to applying for certification, coach educators must ensure that learners have evidence of having undergone awareness training in the protection of children from abuse and hold a current/valid emergency aid certificate. This should be evidenced through a certificate of attendance at a sports coach UK 'Safeguarding And Protecting Children' workshop or equivalent and an emergency first-aid certificate.

Learners who already hold an emergency first-aid certificate or equivalent will be granted RPL as long as the certificate has at least 12 months' currency at the time of their final assessment.

Due to the level of autonomy and responsibility of a qualified coach operating at this level, learners must be over 18 years of age before they can be certificated.
