Choose to offer this Suite of qualifications to provide your learners with a totally flexible, streamlined and progressive approach, and make running your courses more straightforward.

- Flexible: A choice of qualifications to suit each learner's individual circumstances.
- Streamlined: The recognition of prior learning (RPL) option of integrating the underpinning knowledge and components of assessment from the 1st4sport Level 2 Award in Understanding Stewarding at Spectator Events to the 1st4sport Level 2 NVQ Certificate in Spectator Safety means that much of the evidence required to achieve the NVQ has already been generated (through RPL) – reducing the duplication of work and saving you time and money.
