Dear Tony,

Support for the 1st4sport Level 3 Diploma in Sport and Physical Activities
QAN: 601/7671/4

I am writing to you to provide the support of Hartpury University Centre's H.E. Sport department for the newly developed *1st4sport Level 3 Diploma in Sport and Physical Activities*, which has been designed to meet the requirements for an Applied General qualification.

Hartpury University Centre offers a range of sport related degrees and this award will help learners achieve the under graduate admission requirements for a number of courses, most notably our BSc Physical Education and School Sport programme and both BSc and Foundation versions of our Sports Coaching degrees. Given the breadth of topic domains and personal skills incorporated in your Diploma it is clear that this award would provide a learner with a sound foundation of knowledge and experiences with regards to developing a successful application to any of our sport-related degree programmes.

Our H.E. Sport department regularly seeks and responds to feedback from industry-based practitioners related to the employment destinations that our degrees are designed to prepare our students to work within. With this in mind we note and take further assurance from the support your qualification has gained from professional bodies, notably the Association for Physical Education.

I hope this letter provides a sufficient rationale and indicator of our support for this new Applied General qualification. We are happy that our support for this qualification is included on the qualification-specific page of the 1st4sport website.

Yours sincerely,

Dean Clark

Senior Lecturer –
Sports Coaching
