Dear Tony

Support for the 1st4sport Level 3 Diploma in Sport and Physical Activities

I am writing to you to provide the St Mary's University's support for the newly developed *1st4sport Level 3 Diploma in Sport and Physical Activities*, which has been designed to meet the requirements for an Applied General Technical qualification.

St Mary's University offers a range of sport related degree programmes for which this qualification can contribute towards a learner meeting the under graduate admission requirements for the following programmes: Sport Coaching Science; Strength and Conditioning; Sports Science; Health and Exercise Science.

I hope this letter provides a sufficient rationale and indicator of our support for this new Applied General Technical qualification. We are happy that our support for this qualification is included on the qualification-specific page of the 1st4sport website.

Yours sincerely,

A handwritten signature in blue ink that reads "Dr. Brewer".
