Qualification Objective
What does this qualification cover?
This qualification prepares learners for employment as a coach in sport or physical activity. A level 2 coach is able to plan, deliver and review sport and physical activity coaching sessions, either working independently (if over the age of 18), or as part of a larger coaching team. The qualification introduces learners to the practical and theoretical aspects of planning, delivering and evaluating linked and progressive coaching sessions in sport and physical activity.
Who is the qualification for?
The qualification is designed for those who wish to become involved in coaching, and to have responsibility for the planning, delivery and evaluation of linked and progressive coaching sessions. It can be an entry point to coaching, depending on the ability and confidence of the learner. It is directed at learners who have an interest in coaching sport and physical activity.
Who supports this qualification?
The qualification is recognised as the industry standard level 2 qualification for coaches by UK Coaching, the lead technical agency for the development of sports coaching in the UK. It has been aligned to the UKCC criteria and will allow progression onto a UKCC-endorsed qualification.
Qualification Progression
What future education could this qualification lead to?
Learners could progress on to the <i>1st4sport Level 3 Certificate in Coaching (Sport and Physical Activity)</i> or on to a sport-specific coaching qualification at level 2. The skills and knowledge developed through this qualification may also be used to progress to other industry-relevant qualifications in coaching sport, activity leadership, supporting PE in school sport or sports development.

What future employment could this qualification lead to?
This qualification may lead to paid or voluntary roles in coaching sport and physical activity, working as a coach possibly within a holiday play scheme or a sports club environment.
Qualification Achievement
Entry Requirements for the Qualification
The recognised centre is required to conduct and evidence the initial assessment of learners to ensure that the pre-requisites to registration and certification are considered, and that the learner has the potential to achieve the qualification.
