Qualification Objective
What does this qualification cover?
This qualification prepares learners for employment as an equestrian coach. A level 2 equestrian coach is able to plan, deliver and evaluate linked and progressive coaching sessions independently, although they may work as part of a larger coaching team. The qualification introduces learners to the practical and theoretical aspects of planning, delivering and evaluating linked and progressive equestrian coaching sessions.
Who is the qualification for?
The qualification is designed for those who wish to become involved in coaching as an equestrian coach, and to have responsibility for the ongoing development of participants. It is directed at learners who have an interest in coaching equestrian.
Who supports this qualification?
The qualification is recognised as the industry standard level 2 qualification for equestrian coaches by the British Equestrian Federation (BEF), its member bodies and UK Coaching.
The BEF is the National Governing Body for equine sport in the UK. It exists to steer the direction of equestrianism. Representing the interests of 4.2 million riders, vaulters and carriage drivers in Great Britain via 19 independent member bodies (15 members and 4 associates) the BEF continue to drive participation in equestrian sport by connecting people to riding centres, schools, clubs and equestrian sporting organisations.
Qualification Progression
What future education could this qualification lead to?
The skills and knowledge developed may also be used to enable learners to progress to other industry-relevant qualifications in equestrian coaching, such as the Level 3 Qualification in Equestrian Coaching. Learners may also be able to access British Equestrian Federation regional Continual Professional Development workshops.

What future employment could this qualification lead to?
This qualification may lead to paid employment or unpaid voluntary roles in equestrian coaching, either working independently or as part of a coaching team. Other roles that the learner may consider exploring include Activity Leader, Official, or Sports Volunteer.
Qualification Achievement
Entry Requirements for the Qualification
The recognised centre is required to conduct and evidence the initial assessment of learners to ensure that the pre-requisites to registration and certification are considered, and that the learner has the potential to achieve the qualification.
Prior to registration learners are required to:
<ul style="list-style-type: none"> • provide evidence, through application, of possessing Level 1 Equestrian Coaching competencies through previous qualifications • be accurately identified • be at least 17 years of age • be able to communicate effectively in English¹ (this includes listening, speaking, reading and writing).
