## Qualification Objective

### What does this qualification cover?

This qualification prepares learners for employment as a coach in angling. A level 2 coach is able to plan, deliver and review angling coaching sessions, either working independently or as part of a larger coaching team. The qualification introduces learners to the practical and theoretical aspects of planning, delivering and evaluating linked and progressive coaching sessions in angling.

### Who is the qualification for?

The qualification is designed for those who wish to become involved in coaching angling, and to have responsibility for the planning, delivery and evaluation of linked and progressive coaching sessions. It is directed at learners who have an interest in coaching angling.

### Who supports this qualification?

The qualification is recognised as the industry standard level 2 qualification for angling coaches by The Angling Trust and UK Coaching, the lead technical agency for the development of sports coaching in the UK. It is also aligned to the Chartered Institute for the Management of Sport and Physical Activity (CIMSPA) professional standard for Coach.

## Qualification Progression

### What future education could this qualification lead to?

Learners could progress on to the *1st4sport Level 3 Certificate in Coaching (Sport and Physical Activity)*. The skills and knowledge developed through this qualification may also be used to progress to other industry-relevant qualifications in coaching sport, activity leadership, supporting PE in school sport or sports development.

### What future employment could this qualification lead to?

This qualification may lead to paid or voluntary roles in coaching angling. Coaches should look to develop their learning and knowledge by participating in continuing professional development (CPD) opportunities offered within Angling and other coaching-related organisations
